DIGITAL BILLBOARD

AERIAL LOCATION MAP

ABOUT THIS LOCATION

10×35 ft of screen. Impossible to miss. At Southdale Rd and Wharncliffe Rd, shoppers and commuters all stack up at the intersection. For the length of that red, your brand owns the view.

This board, with a second 10×20 ft screen and **1,080,000+ monthly impressions**, sits at a crossroad London's suburbs cannot avoid.

This is the board advertisers ask for by name.

WHY ADVERTISE HERE

- 7+ major retail anchors within 500 m of the billboard
- High dwell time at gas station, intersection, and retail locations
- Dual-facing: captures both traffic streams simultaneously
- Close proximity to affluent London suburban neighborhoods
